

FIPS 201 Evaluation Program
“Information Day – Agency”

Office of Technology Strategy

April Giles

19 June 2006

Presentation Agenda

-
- How should the EP's APL be used?
 - How can we identify a product/service that requires EP approval?
 - How do we verify APL status?
 - Agency Input

How should the EP's APL be used?

- As a 3rd party verification source
- Key PIV system component DB
- Not as a source that will guarantee all product functionality
- Not as a source that will guarantee FIPS 201 compliance
- ?How would it best suite your needs?

How can we identify a product/service that requires EP approval?

- Compare Supplier product descriptions with Category descriptions
- Understanding Category descriptions and applying knowledge to acquisitions
- Contacting EP for consultation

How do we verify APL status?

GSA

- Ck online APL list at: <http://fips201ep.cio.gov/apl.php>
